

VERIFICATION REQUIREMENTS GOOGLE MY BUSINESS

THE PURPOSE OF THESE DOCUMENTS IS TO
VERIFY THE IDENTITY OF THE BUSINESS
OWNER AND THE LEGITIMACY OF THE
BUSINESS.

WHAT IS NEEDED? GOOGLE MY BUSINESS

Basic information:

- Business name
- Business category
- Business address
- Phone number
- Website (optional)

Verification video :

- Show the surrounding area such as - street signs or neighboring businesses. Your location should match the address you entered.
- Show business name printed on permanent fixtures such as signboard. Your business name should match the name you entered.
- Access staff-only areas, unlock entrance or operate cash register. You need to show you are authorized to represent this business.

WHAT IS NEEDED? GOOGLE MY BUSINESS

Notes :

- if you have a physical location and you want to show your address on the listing please choose - 'Local Store'.
- if you don't want to show your physical address please choose - 'Service Business'.
- in some categories you will have the option of 'phone code' or 'Email code' verification, which will be easier than verification video option.
